Dear Customer,

Read this page before proceeding! This Quick Start Guide applies to the following Brooks product:

- **0250 Series Secondary Electronics**

This guide provides an overview of the product, its features, and instructions for assembly and installation. It is essential to review the guide carefully before proceeding with any installation or use of the product.

**Equipment Receipt and Return Procedures, Assembly and Installation**

**Receipt of Equipment**

If the packing case is damaged, the local carrier should be notified at once regarding their liability. Carefully remove the equipment from the packing case and inspect for damage or missing parts. If damaged, please visit [www.BrooksInstrument.com](http://www.BrooksInstrument.com) for necessary forms and instruction.

**Return Shipment**

Please note that prior to returning any instrument to the factory Brooks Instrument requires the completion of Form RPR003-1, a Brooks Instrument Decontamination Statement, as well as a Materials Safety Data Sheet (MSDS) for fluid(s) used in the instrument. Copies of these forms can be found online at [www.BrooksInstrument.com](http://www.BrooksInstrument.com) along with complete details on how to process your return shipment or you can contact your nearest Brooks location for the necessary forms and instructions.

**Quick Start Guide**

**0250 Series Single and Four Channel Secondary Electronics**

This Quick Start Guide includes instructions for assembly and installation of the 0250 Series Secondary Electronics. Please ensure you follow these instructions carefully.

**Panel Mount Cut-Out Dimensions**

Models 0251 and 0254

**WARNING**

Read the page before installation.
